15 The Court has personal jurisdiction over all Class Members and subject matter jurisdiction
16 to approve the Settlement Agreement, and final approval of the Settlement Agreement was
17 previously granted. Dkt. No. 537.

18 The Court dismisses this class action against Facebook, Inc., on the merits and with
19 prejudice, without fees or costs to any party except as provided for in the Settlement Agreement
20 and the Court's final approval order, Dkt. No. 537, as well as in any other fees and costs orders
21 that may be issued in the future by the Court.

22 The Releases in the Settlement Agreement will become effective as of the Effective Date,
